

Collections Update: September 2025

The Galter Library is constantly striving to update our electronic resources and bring current tools to our patrons' desktops. Titles that were added in late Summer 2025 to subscribed collections:

Books

- [Autoimmune Hemolytic Anemias](#)
- [Clinical Rotation Examination and PANCE Review : a case study & Q&A approach](#)
- [Current Medical Diagnosis & Treatment 2026](#)
- [Depressive and Bipolar Disorders](#)
- [Gray's Atlas of Anatomy](#) (4th ed)
- [Hinman's Atlas of Urologic Surgery](#) (5th ed)
- [Interventional Management of Pelvic Pain](#)
- [McGee's Evidence-Based Physical Diagnosis](#) (6th ed)

Updates- [Access Medicine](#)

- McGraw-Hill released a fall [update](#) to the Access App
- On September 23, 2025, the sign-on experience on McGraw Hill's Access® products will be changing for improved security and a unified user experience. If you have an Access Profile, please ensure your profile information is up to date or add your institutional email before this date, as you will need a current email to sign in to your Access Profile going forward.

Looking for other books and resources in library collections? Use the search box on the [home page](#) of the Galter website. The Galter Guide, [How to Find Resources](#), provides tips on how to search for print books, e-books, how to search inside multiple books simultaneously, and more.
